Dear Customers,

How is it 2025 already? Before I write my annual catalog letter, I read the letter I wrote the year before. Last year I wrote "We have had a year without any "major" projects". Funny! The catalog was already at press and my husband decided to remodel our bathrooms and connect our factory and retail store/shipping space. Spur of the moment ideas are always fun!!! Our customers are happy with additional restrooms and our staff is happy to have extra workspace, so it is all worth it! Some know Berdoll's as the place with the vending machine, others the place with the big squirrel, and some as the place with the big red sign. Technology changes too fast and somehow our big sign lasted us 20 years. This year our new picture sign shows travelers photos of all the great products that we offer!

Our pride is our excellent quality! We take the largest, freshest inshell pecans and put them through so many processes to finish with the best Texas Pecans. From sanitizing, grading, cracking, and shelling to coating in the richest chocolate, Berdoll's is always looking for the best quality ingredients to cover our already delicious pecans. We are so proud of the tedious work our staff puts into each workday to be a food business that is Safe Quality Food (SQF) Certified. Not an easy certification!

This major highway we are on continues to hold more traffic every day. And our online business is booming. We love to have customers in the store! In my opinion, the best part of visiting our retail store is that we brought samples back!!! Chocolate Pecans, Roasted & Salted Pecans, Cinnamon & Sugar Pecans, you can try them all!!!! We're still selling our 8 oz. Pecan Halves in HEB at various locations across Texas and our 5 lb. Cracked Pecans are in Buc-ees locations all over.

Family, our big family! All 17 of us take a beach trip and snow skiing trip together every year. Talk about fun! The kids can all ski better than the adults. Hal & Lisa are doing great! Walking, eating pecans and following grandkids around. Kylene and Will support their children in FFA, basketball, volleyball, flag football and barrel racing. Brandon and Brandi continue to grow Berdoll Sawmill, and their kids love to ride horses, play sports and hunt and fish. Jared and I are busy with pecans and kids. Our kids love to be on the lake and all sports!!!

This September, Berdoll's celebrates 45 years in business! We are so proud of that. There have been a few changes in products over the years, but we like to stick to our tried and true! Please give us a call or stop and see us at the retail store. We love to talk about pecan trees, shelled pecans, picking up pecans in the yard, etc. Ms. Pearl, our giant squirrel, turned 14 this year and after so many customer requests - we brought back her seasonal decor! This Easter she had her very own Easter Egg! We love seeing everyone's pictures with her, which can be uploaded to her website - www.berdollsquirrel.com.

We appreciate your continued business!
